

FLOW FORWARD

Vision

ILGA-North America and the Caribbean envisions a region where the lives and rights of 2SLGBTQI+ communities are supported, protected, and celebrated. As a diverse and inclusive collective, we will uplift each other while breaking down the barriers of injustice and discrimination.

Mission

To harness the collective strengths of our members and allies, amplifying achievements made in eradicating injustice and discrimination while advocating for the rights, freedom, and well-being of gender-diverse communities at societal and institutional levels, and ensuring availability and access to technical and financial resources.

Core Values

Strategic Priorities

involves bridging varied groups within the 2SLGBTQI+ spectrum to create a cohesive and powerful alliance. We facilitate collaboration among organizations that represent a variety of ethnic backgrounds, gender identities, and cultural contexts.

Objective:

Foster a robust membership network that enhances communication and collaboration.

is at the core of how we plan and execute all our programs and initiatives. We are committed to crafting and executing effective short-term plans while simultaneously building a foundation for lasting, long-term impact.

Objective:

Establish ILGA-NAC as a central resource hub for addressing the technical and financial needs of our community.

is the cornerstone of our mission. We are dedicated to fighting for fair and equitable treatment of all 2SLGBTQI+ organizations and the communities they support.

Objective:

Amplify advocacy efforts to promote 2SLGBTQI+ rights at various levels.
